

Alberta Restriction Classifications – (Receipt, Delivery, Segments, Storage):

- Unplanned - A curtailment, interruption or reduction of service with notice greater than zero but less than 48 hours.
- Planned - A curtailment, interruption or reduction of service provided that at least 48 hours notice has been given.
- ERC - The tariff defines this as an event caused by a facility failure on either our pipe or a downstream pipe causing our facilities to/or expect to exceed MOP. An ERC event cannot exceed 48 hours.
