

# Foothills BC Scheduling Project

## Foothills Shipper Meeting

October 9, 2014

# Foothills BC Scheduling Project

- **Foothills BC (FHBC) nominations are currently scheduled through GTN's Pacific Express Computer systems.**
- **TransCanada's US Pipelines (USPL) is consolidating all of the pipelines they currently schedule onto one scheduling platform.**
- **During the evaluation it was determined that the scheduling of FHBC should be repatriated to the Call Centre in Calgary.**
- **Working with GTN to coordinate a release date**
  - Current target date is April 2015

# Foothills BC Scheduling Project

- **Included in the new application**
  - New link on FHBC Customer Activities Page
  - Single Account Mnemonic for All Services
  - Unbalanced Nominations
  - Ranking and Prorata Nominations Available
  - Scheduled Nominations Report Available at the end of Each Cycle
- **Contracting and Billing Processes will remain the same**
- **Training will be provided closer to the release date**
  - Communication regarding dates, times and locations will be posted
