**Attention: Ms. Sheri Young, Secretary of the Board**

Dear Ms. Young:

**Re: Foothills Pipe Lines Ltd. (Foothills) Application for Approval of Reimbursement for Reclamation Obligations Related to the Decommissioning of the Leach Creek Segment (Application)  
Reply Comments of Foothills**

The Board issued a letter on August 2, 2017 (Board's Letter)<sup>1</sup> establishing a process to solicit comments on the Application. Interested persons were to file comments with the Board and have them served on Foothills by noon (Calgary time) on August 9, 2017 with reply comments from Foothills due by noon (Calgary time) on August 11, 2017. No comments have been filed, consequently Foothills has no reply comments.

As directed, Foothills has served copies of the Board's Letter according to the Board's directions. It has come to Foothills' attention that due to an administrative error, a limited number of parties did not receive the Board's Letter that was to be attached to a covering letter from Foothills and consequently, these parties did not receive the Board's Letter prior to the comment deadline. Foothills has now served the complete package to those parties and has requested that they file any comments with the Board and provide service to Foothills by noon, August 18, 2017, notwithstanding the August 9, 2017 NEB deadline. Should any comments be filed, Foothills would endeavour to file any reply comments by noon, August 21, 2017.

Foothills is notifying shippers of the availability of this filing in the Board's repository as well as on TransCanada's Foothills System website at the following address:
